# CELEBRATE LIFE CAMPAIGN

The Celebrate Life Campaign is a no cost program, provided by the RSG1 Foundation, a local volunteer operated non-profit charity. The RSG1 Foundation spends 100 percent of its proceeds on programs and people, as we have no paid employees. Celebrate Life Campaign beneficiaries will receive their choice of a service to help reach their ultimate quality of life. Nominees must be diagnosed with neurodegenerative disease or cancer to be eligible and live within the Pittsburgh Metropolitan Area.

The RSG1 Foundation aims to alleviate financial hardships for people with malignant brain tumors, cancer, Alzheimer's and other types of neurodegenerative disease by providing services and goods to improve

quality of life. Our organization recognizes that patients and families all have one thing in common; they all have been diagnosed with a terminal illness that has added a tremendous burden and stress to their lives. The Celebrate Life Campaign offers to provide a sense of normalcy.
